WHO SHOULD HAVE AN INVESTMENT PROTECTION PLAN?

The obvious answer is anyone whose combined Business and Personal taxes are cutting deeply into income. If you look at the money that is going to the government and think, *"I could do so much more with that than they will,"* you need a Nevada corporation. As the diagram below illustrates, Shareholders are protected under a "Nevada Operating Corporation" and Owners and Members under a Nevada Leasing LLC.

PLAN ADVANTAGES

- Protect yourself from corporate liability
- Tax planning on both corporate entities
- Obtain charging order protection to protect assets and turn your business into a financial fortress
- Protect yourself from personal liability in both corporate entities
- Lower income taxes using two corporate entities
- Nationwide network of financial advisors and planners
- Become a Nevada Corporation and Nevada Limited Liability Company
- Create an asset protection strategy to encourage out-of-court settlements within Insurance policy limits
- Prevent government agencies from seizing your wages or property without due process of law
- Unlimited Consultation on both Corporate Nevada entities

You can set up a Land Trust to separate real estate in your operating company. Protect your equipment and other assets from customer liability using friendly liens and a Nevada Management Corporation.

Nevada is the only state that provides "Charging Order Protection" for both corporations and LLCs. This prevents personal creditors from seizing your corporate shares and taking control.

The best asset protection is to incorporate...the best place to incorporate is in tax-free Nevada.

The Bridgeway Investment Protection Plan is everything you need to operate legally with complete Asset Protection and tax savings.

It is quick and very affordable.

THE BRIDGEWAY INVESTMENT PROTECTION PLAN INCLUDES:

- 1.** A prestigious Nevada address at the Howard Hughes Center in downtown Las Vegas (not a P.O. Box) for your new Limited Liability Company and Nevada Management Corporation
- 2.** One full year of resident agent and registered office services
- 3.** 75,000 shares of stock and membership certificates authorized for immediate use and available with both of your Nevada corporate entities

COMPLETE BANKING & CONVENIENCE

At your request we will assist you to open bank accounts, file the application for your tax ID number, and file tax elections.

If you desire, you can obtain debit cards, online banking access and checks with only your company name on them. With a business bank account you can build your business equity fast, establish a verifiable Nevada business residence and a Nevada bank account that can be opened in as little as 24 hours.
