LIFE ESTATE ALTERNATIVE PLAN

ASSET PROTECTION & FINANCIAL PRIVACY

Legally | Conveniently | Inexpensively | Anonymously

WHO SHOULD HAVE A L.E.A.P.?

If you have titled assets and want your loved ones (spouse, children, parents, etc.) to “Avoid Court Costs” and “State Interference” upon your death or incapacity, consider a Life Estate Alternative Plan (L.E.A.P.).

You can easily secure and protect your family’s inheritance from the probate court and collection attorneys in as little as 72 hours. You may also want to encourage other family members to secure their family inheritance from the state courts.

WHAT IS PROBATE?

“The legal settling of one’s estate in which the court has jurisdiction over one’s probated estate.” When a person dies, whether you have a will or not you will be subject to Government officials sorting out *your* estate matters.

IS AVOIDING PROBATE LEGAL?

Yes! Not only is avoiding probate legal but with a L.E.A.P. you leave no misinterpretation or contestability of how your estate is distributed.

MANAGE YOUR ESTATE AND TAXES LIKE THE WEALTHY

The rich and famous have always had access to the best lawyers and accountants to guide them and protect them. But today, there are millions of people who desperately need the latest strategies to protect what they have worked their entire lives to acquire.

“Nine out of ten lawsuits in the world are filed in the United States. In such a litigious society, if you own anything worth having, lawyers will find a way to come after you.”

P. Thomas Adams, JD Attorney At Law

2. **Family Life Insurance Trust** - Eliminates Paying Estate Tax on Life Insurance and pays the funds directly to beneficiaries allowing for a direct by-pass of your declarable estate.
3. **Family Residence Trust** - Creates Financial Privacy and removes your home out of your personal name to reduce frivolous lawsuits or asset searches.

***“WE PROVIDE LIFETIME SUPPORT
TO YOU AND YOUR HEIRS”***

Ask yourself...What is Peace of Mind really worth to you?

The words "Financial Crisis" are heard all too often in today's world. We are bombarded by reports of corrupt executives, downgraded earnings reports and lost nest eggs. We all know people, good people, who have lost jobs, pensions and livelihoods due to the chaotic economic situation in this country today. It is definitely a dangerous and complicated landscape for all of us to live in, care for our families, and plan for our futures.

L.E.A.P. SOLUTIONS

PROBLEM

Estates with substantial worth can take up to 11 months for the beneficiaries to receive their inheritance...sometimes 3-4 years if assets are in other jurisdictions.

SOLUTION

With a Living Trust the beneficiaries can receive their inheritance on average in as little as 24 hours upon settlement.

PROBLEM

The greatest taxable fund brought into the US Treasury is the tax on your estate when you die.

SOLUTION

With a Family Life Insurance Trust your life insurance is excluded from your estate, thus reducing estate taxes.

PROBLEM

Angry family members can contest a will.

SOLUTION

A Living Trust has a non-contestability clause.

PROBLEM

Upon probate settlement, an average of 8% to 10% of your estate will go to probate costs!

SOLUTION

With a Living Trust there are no probate costs and your estate passes directly down to your family...*immediately.*
